

BOND CLEANING

Checklist

KITCHEN

- Clean the inside and outside of all cupboards and drawers.
- Wash and polish all counter tops and surface areas.
- Clean the inside and outside of the oven, microwave, dishwasher, fridge, and freezer.
(The vast majority of oven cleans give excellent results. However, if the oven is very old or in poorly kept condition we can only clean it, not make it new again)
- Clean and polish the sink and taps.
- Clean the windows - inside and out, fly screens, louvres, window sills and tracks.
- Clean/polish the door, door frames and fly screens.
- Clean the light fixtures.
- Remove all cobwebs and marks on the walls.
- Vacuum and mop the floor.

BEDROOMS
